

MICR & Account Number Guide

When accessing your account online or by phone to make payments, transfer funds or check your balance use the guide below. It shows you when and where you will need your debit card number, MICR number or 10 digit account number.

Your MICR number can be found by clicking the Accounts tab when you log into **Online Banking** or at the bottom of your checks.

Your 10 digit account number can be found by clicking the Profile tab when you log in to **Online Banking**.

For each action, verify the correct number needed:
