

Please follow the instructions for turning off “phone” permissions for the Northern CU Mobile Banking App on a Google Pixel Device:

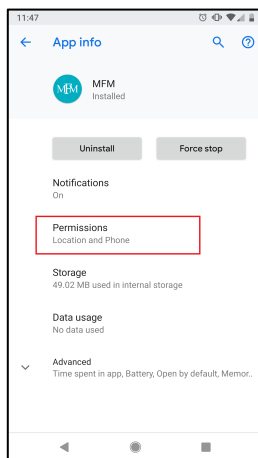

1. Open the settings on your device and click on Apps & Notifications

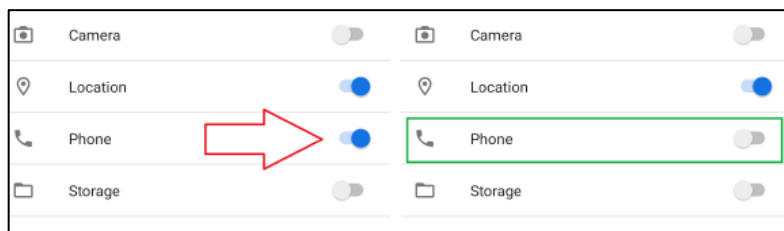

2. Select the NCU Mobile Banking Application

3. Click on the Permissions option

4. Swipe the toggle to turn OFF the phone permissions.

5. Once you return back to the NCU Mobile Banking App, select “Deny” when the app asks for permission to make and manage phone calls.
